## ABOUT US

Our restaurant occupies the oldest commercial building constructed in the historic district of downtown Carencro [1901]. The team at Swanky's is focused on providing a family friendly atmosphere coupled with delicious cajun cooking.

We proudly celebrate Louisiana's culture and heritage. Don't let our name fool you, as we try not to take ourselves too seriously! After all, we consider Swanky's to be the type of restaurant our favorite comedic personas Boudreaux and Thibodeaux would frequent for their "fine dining".
